Welcome to 2015.

2014 was arguably the clubs best year yet and we enter our 15th year of existence hopeful that it will be even bigger and better.

We are currently negotiating an extended lease on our facility which will further help us maintain our long-term future. Once this is confirmed all members will be notified.

Our first race day will be on the 18th of January, however on the 11th, there will be a working bee/practice day. Gates will open at 10am. We intend on giving the track a clean and mowing the surrounding area before opening the track for free practice until 3pm.

Remember this year, we will be running in the opposite direction

(anti-clockwise) to 2014.

For 2015, we are hopeful of hosting more big events. Along with a round of the 1/12th Scale tour of NSW and our Christmas Cup Endurance Day, we are investigating hosting a round of the NSW Formula 1 series, a possible 2 day 1/10th Nitro meeting and also a Sydney vs. Newcastle 1/5th series with 1/5th racers from Sydney. Watch this space for more information.

We hope to welcome more new members this year and if you are new to the club, we hope you thoroughly enjoy yourself and if you have any questions please do not hesitate to ask.

Good luck to everyone this year and race hard...
